

Join us on the eve of the official launch of Generation to Generation, a campaign to mobilize 1 million adults aged 50+ to help young people thrive, and uniting all ages to create a better future. Paul Taylor, author and former EVP of Pew Research, will share key findings from a forthcoming research report, titled "Generational 'War?' Survey Finds Few Takers."

[Please RSVP by November 10](#)

Hoping to see you there!

Marc Freedman, Founder & CEO of Encore.org
John Gomperts, President & CEO of America's Promise Alliance
