Parents' Forum – Thursday 26 January 6:00pm

Following a successful Parents' Evening last term we have decided to make the focus of the next Parents' Forum about revision skills, as requested by Parents through recent feedback.

At this Parents' Forum you will access information about the summer examinations; hints and tips on how parents can help with general revision including making a revision timetable and subject specific revision skills to help with English, Maths and Science delivered by these Curriculum Teams.

This event is aimed at Parents in particular, as Year 11 Students will receive their own bespoke revision skills session in the Academy the following week.

To confirm your attendance to this event please either return the reply slip below or sign up for a place on line <https://lfamington.parentseveningsystem.co.uk>

We look forward to seeing you on the 26 January.

Yours sincerely

**Mrs C Robson
Vice Principal**
