# The DeHamer Difference.

DeHamer began over 50 years ago as a full-service garden center and landscaping company. Today, DeHamer Landscaping continues its passion for both the products and the finished landscape as one of the best full-service landscape contractors serving homeowners, builders and commercial clients in West Michigan. Our goal is to make the process of designing, installing, and maintaining your landscape as simple as possible.

## *Our Mission*

A team focused on sharpening each other in order to serve our customers with excellence.

## *Our Vision*

Empower everyone we meet to build better lives in order to reflect God's beauty throughout the world.

**100+ Employees**

**20+ Acre Nursery**

**55+ Trucks**

**30-50 Crews**

**20+ Heavy Equipment**

## Professionalism. Quality.

“

We have used DeHammer Landscaping both personally and on client jobs. They listen to what our wants and needs are and follow up quickly with a design that fits both budget and that is aesthetically pleasing. We would highly recommend using DeHamer Landscaping for **landscape design, installation, lawn maintenance** and **snow management**. The owners and employees alike are good, generous, hard-working people.
