American School Counselor Association Announces 2024 RAMP Schools

ALEXANDRIA, VA. – This year, 138 schools in 25 states received the Recognized ASCA Model Program (RAMP) designation. These schools will be honored during a special ceremony at the ASCA Annual Conference in Kansas City, Mo., in July for making an exemplary commitment to their school counseling programs.

The RAMP designation, celebrating its 20th year, recognizes schools committed to delivering a comprehensive, data-informed school counseling program and an exemplary educational environment. Since its inception, more than 1,600 schools have been designated as RAMP recipients.

RAMP schools are now in 47 states across the country. The RAMP designation is good for five years; this year's RAMP recipients must submit a successful application by Oct. 15, 2028, to maintain their RAMP status. This year 16 schools earned Re-RAMP status.

"This year's RAMP honorees have shown their commitment to students and the school counseling profession," said Jill Cook, ASCA executive director. "These schools used data to drive their program development and implementation so all students can achieve success. RAMP designation distinguishes these schools and encourages school counselors nationwide to strive for excellence."

The 2024 RAMP schools are:

Alabama

Florence B. Mathis Elementary School
Foley High School
Highland Elementary School
Oneonta Elementary School

About the American School Counselor Association

The American School Counselor Association (ASCA) is a nonprofit, 501(c)(3) professional organization based in Alexandria, Va. ASCA promotes student success by expanding the image and influence of school counseling through leadership, advocacy, collaboration and systemic change. ASCA helps school counselors guide their students toward academic achievement, career planning and social/emotional development to help today's students become tomorrow's productive, contributing members of society. Founded in 1952, ASCA has a network of 52 state and territory associations and a membership of approximately 43,000 school counseling professionals. For additional information on the American School Counselor Association, visit www.schoolcounselor.org.
