

# SPEAK THE SIMPLE LANGUAGE OF SUCCESS

## THE FOUR WORDS THAT GET PEOPLE TALKING

**Direct. Spirited. Systematic. Considerate.**

By narrowing the complexities of personal style to these simple terms, the HRDQ Style Suite gives individuals a quick understanding of themselves and others.

## ONE SIMPLE MODEL

Translated into everyday terms and an easy-to-read diagram, the well-known personality theories of Carl Jung and William Moulton Marston are at the core of the Style Suite. The model shows each of the four basic personality types as a combination of expressiveness and assertiveness.

## A VERSITILE SOLUTION

With the Style Suite, you get the tools to address communication, leadership, team building, and more. Here are some popular uses for the Style Suite:

- Icebreaker
- Energizer
- Standalone training session
- Component of a larger program

## CONNECT IN STYLE

Each assessment and its engaging discussions and activities offer an enjoyable way to identify personal style, recognize those of others, and find ways to build stronger, more productive relationships — all in as little as an hour.
